

JOIN FRIENDS OF THE SYMPHONY'S MUSIC EDUCATION PROGRAM

**Just in case you
were not aware!**

THE SYMPHONY provides an extensive [Music Education](#) program to children in Santa Fe schools, in cooperation with the Santa Fe Public Schools Department of Music Education. Our professional musicians perform in ensembles at many elementary schools through the "Kids' Classical Concerts."

We sponsor a [Music Mentoring](#) program, with our musicians working on a regular schedule for 25 weeks of the school year. The music teachers select the children who will profit most from small group lessons. We have increased our carefully chosen mentors by 33% this year, and the schools would appreciate having even more of them. It really works for the young musicians!

...bringing great music to life

Help us help the children!

Joe Hayes narrates a bilingual multimedia presentation for The Symphony's annual Discovery Concerts for area fourth graders.

Every year The Symphony presents annual "[Discovery Concerts](#)" featuring the full symphony orchestra to over 1,500 fourth grade students from area public, private, and pueblo schools. Bilingual narrators describe interesting aspects of the music working with The Symphony staff to make it both fun and educational. We also supply the teachers in advance with appropriate teaching material.

Thank you for your support!
